Devvy Tech

DON'T JUST LEARN. BUILD.

// HOW IT WORKS

SEVEN STEPS. FOUR WEEKS. ONE SHIPPED PROJECT.

No lectures or busywork. You work exactly the way an engineering team ships.

01 FREE

9 TRACKS

FULL-STACK

APPLY

Fill a short form and pick a track. Your login arrives by email.

02 FREE

YOU — MENTOR

1:1 · FREE THEN DECIDE →

MEET YOUR MENTOR

A 1:1 session to walk you through the program. Like it? Pay ₹499 and your four weeks begin.

03 WEEK 1

UI — API — DB

✓ MENTOR SIGN-OFF

PLAN

Get your product spec, then map the architecture, pipeline or user flow.

04 WEEKS 2-3

#12 feat/checkout

```
+ export async function checkout(cart) {
+ const total = sum(cart.items)
- console.log(cart)
+ const res = await pay(total)
```

MENTOR
What happens if the payment fails?

```
+ if (!res.ok) throw new PaymentError()
```

✓ approved · merged to main

BUILD

Work in small pull requests with AI tools like Claude and Cursor. A senior mentor reviews every one.

05 WEEK 4

LIVE your-project.app

demo.mp4

SHIP

Put it live — app, model, dashboard or prototype — and record a short demo.

06 WEEK 4

DEVVY-2026-0001

Scan to verify

PASSED

GET CERTIFIED

Pass the final review and earn a certificate anyone can check online.
